2009 Pinot noir

Harvested April 2009

Aged on oak for 12 months, handpicked and crafted into a wonderful wine.

This pinot presents itself with a lush berry red colour, lending itself to a subtle fruity palet of plum and black currant. With just a hint of licorice, there is a lightness of touch and elegance that unfolds in layers on the finish.

2009 Cuvee Blanc, 100% Organic Grapes

Harvested April 2009

A blend of Pinot gris, Chardonnay, Riesling and Gewürztraminer. Handpicked and whole bunch pressed to maximize the flavours.

This blend presents a full aromatic citrus bouquet and clear golden colour, with a soft lush peach and apple aroma heralding a vibrantly fruity off-dry palet. It's beautifully weighted with an opulence and a refreshingly light finish.
